RÉSUMÉ of ZONGWU CAI

February 16, 2022

ADDRESS:

Department of Economics
University of Kansas
1460 Jayhawk Boulevard
Lawrence, KS 66045
USA
Tel: +1 (785) 864-1886 (Office)
Fax: +1 (785) 864-5270 (Department)
Office: Snow Hall, Room 352
E-mail: caiz@ku.edu or zongwucai@gmail.com
Home page: http://www.people.ku.edu/~ z397c158/index.html

EDUCATION:

- 1995 Ph.D. in Statistics, University of California, Davis, USA
- 1988 M.S. in Statistics, Zhejiang University, Hangzhou, China
- 1982 B.S. in Mathematics, China University of Geosciences, Wuhan, China

ACADEMIC and PROFESSIONAL POSITIONS:

- The Charles Oswald Distinguished Professor of Econometrics & Professor of Economics, Department of Economics, University of Kansas, July, 2021 —
- The Charles Oswald Professor of Econometrics & Professor of Economics, Department of Economics, University of Kansas, July, 2013 — June, 2021.
- Professor: Department of Mathematics & Statistics, University of North Carolina at Charlotte, July, 2005 – June, 2013
- Associate Professor, Department of Mathematics & Statistics, University of North Carolina at Charlotte, July, 2002 -June, 2005
- Assistant Professor, Department of Mathematics & Statistics, University of North Carolina at Charlotte, July, 1998 - June, 2002
- Assistant Professor, Department of Mathematics, Missouri State University, July, 1995 - June, 1998
- Instructor, GTA and GRA, Department of Statistics, University of California, Davis, September, 1991 - June, 1995
- Lecturer, Department of Mathematics, Zhejiang University, China, September, 1988 - August, 1991

- Applied Statistician, Institute for Remote Sensing, China University of Geosciences, Wuhan, China, July, 1982 - July, 1985

- Adjunct Professor, Center for East Asian Studies, University of Kansas, 2015 — present
- Visiting Professor, The Wang Yanan Institute for Studies in Economics, Xiamen University, China, 2019.09-2019.12 (sabbatical leave).
- Adjunct Professor, Department of Economics, University of North Carolina at Charlotte, July, 2005 — June, 2013.
- Guest Professor, Shandong University of Finance and Economics, Jinan, China, 2016 – 2019.
- Affiliate Research Professor, Department of Mathematical Sciences, Florida Atlantic University, July, 2013 — June, 2017.
- Guest Professor, North China Electric Power University, Beijing, China, 2014 — 2017.
- Guest Professor, Dongbei University of Finance and Economics, China, 2014 — 2019.
- Guest Professor, College of Business, Shanghai Normal University, China, 2007 — 2009.
- Guest Professor, School of Finance, Nanjing University of Economics and Finance, China, 2008 - 2010.
- Guest Professor, College of Economics, Zhejiang University, China, 2006 — 2008.
- Member of Scientific Committee, the Center for Statistical Research, Chinese Academy of Sciences, 2005 — 2008.
- Visiting Professor, College of Economics and Management, Shanghai Jiaotong University, China, 2004 - 2006.
- Guest Professor, China University of Geosciences, Wuhan, China, 2002 - 2006.
- Guest Professor, Qingdao University, China, 2002 - 2006.
- Visiting Professor, Humboldt University, Germany, Summer of 2002.
- Visiting Professor, Litoral University, France, Summer of 1999.

ACADEMIC AWARDS and HONORS:

⋆ The Econometric Theory Multa Scripsit Award, 2014.
⋆ Fellow of The American Statistical Association (ASA), 2013.
⋆ Fellow of the *Journal of Econometrics*, 2019
⋆ Julius R. Blum Memorial Award to the outstanding graduate students, UC-Davis, 1992.
⋆ Second Award for Excellent Achievements in Research by Zhejiang Province, China, 1991.

⋆ The Chairman of The Regents for the Chinese Economists Society (CES) for 2020.01 - 2020.12
⋆ The President of The Chinese Economists Society for 2018.08 - 2019.08
⋆ Member of the Board of Directors of the CES for 2015-2016

PROFESSIONAL MEMBERSHIP:

⋆ Member of the American Economic Association (AEA)
⋆ Member of the Chinese Economists Society (CES)
⋆ Member of The Econometrics Society (ES)
⋆ Life-Time Member of The American Statistical Association (ASA)
⋆ Member of The Society of Economic Measurement (SEM)
⋆ Member of Institute of Mathematical Statistics (IMS), 1992-2016
⋆ Life-Time Member of The International Chinese Statistical Association (ICSA)
⋆ Member of The Society of Financial Econometrics (SoFiE)

EDITORIAL WORK:

• Associate Editor, *China Journal of Econometrics*, 2021 – .
• Member of Editorial Board, *Econometric Reviews*, 2016 –.
• Member of Editorial Board, *Econometrics*, 2012 – .
• Member of Editorial Board, *Journal of Systems Science & Complexity*, 2020.03– .
• Member of Editorial Board, *Annal of Financial Economics*, 2016 – .
• Associate Editor, *African Finance Journal*, 2010 – .
• Member of Editorial Board, *Big Data and Cloud Innovation*, 2017 – .
• Member of Editorial Board, *Applied Mathematics – A Journal Of Chinese Universities*, 2012 – .
• Member of Editorial Board, *International Journal of Energy and Statistics*, 2013 –.

• Associate Editor, *Journal of Business and Economic Statistics*, 2012.08 – 2019.08.
• Associate Editor, *Econometric Theory*, 2010.01 – 2016.12.
• Member of Editorial Board, *Journal of Testing and Evaluation*, 2012 — 2013.
• Guest Editor for the special issue of *Journal of Econometrics*, 2010.
• Guest Editor for the special issue of *Journal of Econometrics*, 2015.
• Guest Editor for the special issue of *Journal of Management Science and Engineering*, 2018.

RESEARCH INTERESTS:

• Business Analytics
• Data Science and Related Fields
• Quantitative Finance in Big Data
• Theoretical and Applied Econometrics
• Financial Econometrics and Financial Engineering
• Panel Data Analysis
• Quantitative Finance and Risk Management
• Micro-econometrics
• Economic Analysis and Program Evaluation
• Macro-econometrics
• Nonlinear Time Series Modeling

- Nonparametric Curve Estimation and Tests
- Survival and Longitudinal Analysis with Applications in Economics and Finance

PUBLICATIONS:

⋄ Papers Submitted and Revised and Re-submitted (R&R):

134. Cai, Z. and S.Y. Chang (2022). A new test for testing predictability of asset returns with structural breaks. Submitted to *Journal of Financial Econometrics*.

133. Cai, Z., Y. Fang, M. Lin and M. Zhan (2022). Estimating quantile treatment effects for panel data. Submitted to *Journal of Econometrics*.

ACADEMIC GRANTS:

- NSF Grant for the proposal "Nonlinear and Nonstationary Time Series Modeling with Its Applications", 2004-2007, #DMS-0404954
- NSF Grant for the proposal "Nonparametric Time Series Modeling", 2000-2003, extended to 2004, #DMS-0072400

- Faculty Research Grant of University of North Carolina at Charlotte, 2006
- Reassignment of Duties Grant of University of North Carolina at Charlotte, Spring 2004
- Faculty Research Grant of University of North Carolina at Charlotte, 2003
- Faculty Research Grant of University of North Carolina at Charlotte, 2002
- Faculty Research Grant II of University of North Carolina at Charlotte, 2001
- Faculty Research Grant I of University of North Carolina at Charlotte, 2001
- Faculty Research Grant of University of North Carolina at Charlotte, 2000
- Faculty Research Grant of University of North Carolina at Charlotte, 1999
- Faculty Research Grant of Southwest Missouri State University, 1998
- NSF Grant of Zhejiang Province, China, 1990

INVITED COLLOQUIUM TALKS, LECTURES, and CONFERENCE PRESENTATIONS:

[2021]

- School of Data Science and Artificial Intelligent, Dongbei University of Finance and Economics, China.
- School of Economics, Zhejiang University, China
- School of Business, Hunan University, China
- School of Business, Hunan Normal University, China
- School of Economics, University of Chinese Academy of Sciences, China (6 seminars)
- Institute of Statistics and Data Science, Renmin University of China, China
- School of Mathematics, Renmin University of China
- Institute of Advanced Studies in Economics, Dongbei University of Finance and Economics, China
- School of Economics, Dongbei University of Finance and Economics, China.
- School of Economics, Fudan University, China
- National School of Development, Peking University, China.
- Institute of Statistics and Data Science, Nanjing University of Audit, China

[2020]

- School of Business, Hunan Normal University, China

[2019]
• School of Economics, University of Nottingham Ningbo, China
• School of Finance, Renmin University of China
• School of Mathematics, Renmin University of China
• School of Business, Huana Normal University, China
• Center for Economics Research, Shandong University, China
• Institute for Financial Studies, Shandong University, China
• School of Mathematics, Shandong University, China (twice), January and May
• School of Business, Huana University, China
• School of Statistics, Eastern China Normal University, China

[2018]
• Department of Mathematics, University of Missouri, Kansas City
• Xiamen National Accounting Institute, China, (4 seminar lectures)
• School of Economics, Dongbei University of Finance and Economics, China, (4 seminar lectures)
• School of Economics and Management, Shanxi University, China
• School of Economics, Shanxi University of Finance and Economics, China
• School of Economics and Management, North China Electric and Power University, China
• China Center for Agricultural Policy, School of Advanced Agricultural Sciences (SAAS), Peking University, China
• Department of Economics, Vanderbilt University
• Department of Statistics, Iowa State University

[2017]
• School of Economics, Henan University, China
• School of Economics and Management, China University of Geoscience, China
• School of Business, Hunan University, China (twice)
• School of Economics and Management, University of Electronic Science and Technology of China, China
• Department of Mathematics, Hong Kong University of Science and Technology, Hong Kong, China
• School of Economics, Nankai University, China
• School of Statistics, Southwestern University of Finance and Economics, China
• Center for Statistical Research, Tshinghua University, China
• School of Economics and Statistics, Guangzhou University, China
• Center for Economics Research, Shandong University, China (twice)

• Department of Mathematics, University of Maine, 1997
• Department of Statistics, University of California at Davis, 1995
• Department of Mathematics, Southwest Missouri State University, 1995

• Invited presentations (invited speaker or keynote speaker) to many international and domestic conferences, meetings, and workshops

PROFESSIONAL ACTIVITIES:

• Chair of the Local Organizing Committee for “The 2019 Asian Meeting for Econometric Society”, June 14-16, 2019, Xiamen University, China
• Chair of the Organizing Committee for “The 2019 China Conference for the Chinese Economists Society”, June 8-9, 2019, Dongbei University of Finance and Economics, China
• Chair of the Organizing Committee for “The 2019 Chinese Economists Society Presidents’ Forum”, June 7, 2019, Dongbei University of Finance and Economics, China.
• Chair of the Organizing Committee for “The 2019 North America Conference for the Chinese Economists Society”, April 6-7, 2019, University of Kansas.
• Chair of the Organizing Committee for ‘2018 Workshop on Advanced Econometrics”, April 21, 2018, University of Kansas.
• Co-Chair of the Local Organizing Committee for ‘2018 Conference for Society for Economic Measurement”, June 8-10, 2018, Xiamen University, China.
• Chair of the Organizing Committee for ‘2017 Workshop on Advanced Econometrics”, April 29, 2017, University of Kansas.
• Chair of the organizing committee for ‘2016 Workshop on Advanced Econometrics”, April 30, 2016, University of Kansas.
• Chair of the organizing committee for ‘2015 Workshop on Advanced Econometrics”, May 2, 2015, University of Kansas.
• Co-Chair of the organizing committee for “the International Symposium on Recent Developments in Econometric Theory with Application in Honor of Takashi Amemiya”, June 20-21, 2015, Xiamen, China.
• Chair of the organizing committee for ‘2014 Workshop on Advanced Econometrics”, April 26, 2014, University of Kansas.
• Co-Chair of the organizing committee for “the International Symposium on Recent Developments in Econometric Theory with Application in Honor of Jerry A. Hausman”, June 23-24, 2014, Xiamen, China.
• Chair of the local organizing committee for “The China Meeting of Econometrics Society 2014”, June 26-28, 2014, Xiamen, China.
• Co-Chair of the organizing committee for “Panel Data Analysis in Honor of Professor Cheng Hsiao” in Xiamen, China, June, 2013.
• Co-Chair of the organizing committee for “International Forum on Modern Statistics and Econometrics” in Xiamen, China, July, 2013.
• Co-Chair of the organizing committee of the international conference “Financial Engineering and Risk Management” in Xiamen, China, June, 2012.
• Co-Chair of the organizing committee for “International Forum on Modern Statistics and Econometrics” in Xiamen, China, July, 2012.
• Member of the Program Committee for “International Conference on Quantitative Finance and Risk Management” in Changchun, China, July, 2012.
• Co-Chair of the organizing committee for “International Forum on Modern Statistics and Econometrics” in Xiamen, China, December 2011.
• Member of the Program Committee for “The Econometric Society Australasian Meeting in 2011” (ESAM11) in Adelaide, Australia, July 2011.
• Co-chair of the organizing committee of the international symposium “Econometrics of Specification Test in Honor of Harl White” in Xiamen, China, June 2010.
• Co-Chair of the organizing committee of the international conference “Risk Management and Derivatives” in Xiamen, China, July 2009.
• Co-Chair of the organizing committee of the international conference “Nonlinear Time Series with Applications in Macroeconomics and Finance” in Xiamen, China,

May 2008.
• Co-Chair of the organizing committee of the international conference "XMU-HUB Workshop in Economics and Finance" in Xiamen, China, April 2008.
• Co-Chair of the organizing committee of the international conference "Sino-Korean Econometrics Workshop" in Xiamen, China, December 2007.
• Co-Chair of the organizing committee of the international conference "The 14th International Conference on Panel Data" in Xiamen, China, July 2007.
• Co-Chair of the organizing committee of the international conference "Financial Engineering and Risk Management" in Xiamen, China, June 2006.
• Co-Chair of the organizing committee of the international conference "Financial Engineering and Risk Management" in Shanghai, China, June 2005.
• Co-Chair of the organizing committee of the international symposium "New Frontiers of Statistics" in Beijing, July 2005.
• Chair of the Local Committee for ENAR/IMS Meeting in March, 2001 at Charlotte, NC.

• Member of the Screening Panel of the Statistics Program of the National Sciences Foundation, December, 2004
• Member of the Screening Panel of the Management Program of the Natural Sciences Foundation of China, 20014 —

• Reviewer for the National Sciences Foundation grant proposals
• Reviewer for the Chinese National Sciences Foundation grant proposals
• Reviewer for the Social Sciences and Humanities Research Council of Canada (SSHRC)
• Reviewer for the Social Sciences and Humanities Research Foundation of Hong Kong
• Referee for the following international journals:

Econometrica
Review of Economics and Statistics
Journal of Econometrics
Econometric Theory
Journal of Financial and Quantitative Analysis
Quantitative Finance
Econometrics Journal
Quarterly Review of Economics and Finance
Journal of Financial Econometrics
Econometrics Reviews
Economics Letters

Ph.D. Students Under my supervision or I am the member of their Advisor Committee

⋆ The following students from University of Kansas under my supervision or I am the member in their advisor committee:

• Rui Wang (Supervisor)
• Jimin Shin (Supervisor)
• Gunawan (Supervisor)
• Jingyan Li (Supervisor)
• Jingwei Jin (Supervisor)
• Pixiong Chen (Supervisor)
• Zeyan Shen (Supervisor)
• Xiyuan Liu (Supervisor)
• Chen Sun (Supervisor)
• Sijun (Cherry) Yu (Co-Supervisor), "Essays on Time Inconsistent Monetary Policy", Graduated in September, 2016.

• Qing Han (Committee Member), "Three Papers on Monetary Aggregation under Knightian Uncertainty, Kernel Estimation, and Dynamic Modeling", Graduated in May, 2019
• Kun He (Committee Member)
• Abdullah Alabdulkarim (Committee Member)
• Yue Feng (Committee Member), Graduated in December, 2017.
• Jingxian Hu (Committee Member), "Essays in Open Macroeconomic Dynamics", Graduated in May, 2018
• Indrani Manna (Committee Member), "Essays in Monetary and Macro-Prudential Policies", Graduated in May 2017
• Zheng (Melody) Yin (Committee Member)
• Fan Wang (Committee member)
• Jessica Santos Dutra (Committee Member), Graduated in May, 2019

• Nicholas J. Ma (Committee Member) (Mathematics Program), graduated in September, 2019
• Raul Bolanos (Committee Member) (Mathematics Program)
• Zhiyue Zhang (Committee Member)
• Taylor Drane (Committee Member)
• Xunzhao Yin (Committee Member)
• Chaozheng Li (Committee Member)

• Chao Jiang (Committee Member) (Finance program), "Essays On Empirical Asset Pricing And Insider Trading", Graduated in May, 2016.
• Yaoyi Xi (Committee Member) (Finance program), "Manager Personal Traits and Financial Decisions", graduated in May, 2018
• Yi Tan (Committee Member) (Finance program)
• Zheng Han (Committee Member) (Finance program)
• Alex Zhang (Committee Member) (Finance Program)
⋆ The following students graduated from University of North Carolina at Charlotte under my solo supervision:

[1] Huaiyu Xiong, "Semiparametric Instrument Variable Models", December, 2004 (graduated).
[2] Xiaoping Xu, "Semi/Non-parametric Dynamic Quantile Regression Models", May 2005 (graduated).
[3] Henong Li, "Semi/Non-parametric Weak Instrument Variable Models", December, 2006 (graduated).
[4] Xian Wang, "Selection of Copulas and Its Applications", August, 2008 (graduated).
[5] Yunfei Wang, "Predictive Regression Models for Asset Returns", May, 2010 (graduated).
[6] Linman Sun, "Nonparametric Pricing Kernel Models", June, 2011 (graduated).
[7] Bingduo Yang, "Variable Selection for Functional Index Coefficient Models and Its Application in Finance and Engineering", May, 2012 (graduated).
[8] Yonggang Wang, "Generalized Quasi-Likelihood Ratio Tests for Varying Coefficient Quantile Regression Models", May, 2013 (graduated)
[9] Wu Li, 'Testing Predictability of Asset Returns'", October, 2013 (graduated).

ADMINISTRATIVE SERVICES:

⋆ The following services are at University of Kansas from July 2013:

2021-2022 school year:
• Member of Executive Committee (Fall)
• Member of Evaluation Committee (Spring)
• Chair of Computer and Technology Committee
• Member of Graduate Program Committee
• Chair of M.A. Committee
• Advisor for Master program
• Working Paper Editor
• Member of Promotion and Tenure Committee (Fall)
• Mentor for Tenure-Track Faculty
2020-2021 school year:
• Member of the chair Search Committee (Spring)

- Member of College Council (Spring)
- Chair of Computer and Technology Committee
- Member of Graduate Program Committee
- Chair of M.A. Committee
- Advisor for Master program
- Working Paper Editor
- Member of Promotion and Tenure Committee
- Mentor for Tenure-Track Faculty

2019-2020 school year:

- Chair of Search Committee Econometrics Position
- Member of External Review Committee
- Member of College Council
- Chair of Computer and Technology Committee
- Member of Graduate Program Committee
- Chair of M.A. Committee
- Advisor for Master program
- Working Paper Editor

2018-2019 school year:
- Member of Post Tenure Review Committee (Spring 2019)
- Member of External Review Committee (Spring 2019)
- Advisor for Master program
- Member of Executive Committee
- Member of Faculty Evaluation Committee
- Member of Promotion and Tenure
- Member of College Council
- Chair of Computer and Technology Committee
- Member of Graduate Program Committee
- Chair of M.A. Admissions Committee

2017-2018 school year:
- Advisor for Master program in economics
- Member of Executive Committee
- Member of Faculty Evaluation Committee
- Member of Sabbatical Committee
- Chair of Computer and Technology Committee
- Member of Graduate Program Committee
- Chair of M.A. Admissions Committee

2016-2017 school year:
- Advisor for Master program in economics
- Member of Executive Committee
- Member of College Social Sciences Grant Research Fund Committee
- Member of Graduate Program Committee
- Chair of M.A. Admission/Policy Committee

2015-2016 school year:
- Advisor for Master program in economics

- Member of Executive Committee.
- Member of College Social Sciences Grant Research Fund Committee
- Member of Graduate Program Committee
- Member of M.A. Admission/Policy Committee

2014-2015 school year:
- Chair of Promotion and Tenure Committee
- Chair of Faculty Evaluation Committee
- Member of Executive Committee
- Member of Chair Search Committee

2013-2014 school year:
- Member of Executive Committee
- Member of Faculty Evaluation Committee
- Member of Promotion and Tenure Committee

⋆ The following services were done at University of North Carolina at Charlotte from July 1998 to June 2013:

- Member of the Department Diversity Liaisons of College of Liberal Arts and Science (CLAS), 2012 – 2013
- Alternative Member of College Council, 2010 - 2013
- Member of Mathematical Finance Committee, 2011 - 2013
- Chair of The Colloquium Committee, 1999 - 2010
- Chair of the Library Committee, 1999 – 2010
- Member of Graduate Recruiting Committee, 1999 – 2009
- Member of P&T Committee, 2007 - 2008, 2010 - 2011.
- Member of Advisor Committee, 2000 - 2002
- Member of College Council of CLAS, 2004 - 2007
- Member of Re-assignment Duty Committee of CLAS, 2004 - 2006
